(please read notes below and use block capital letters)

Membership Benefits

- Access to UK Membership Database, including full contact information (email and direct phone numbers)
- Access to Benelux and German PLG Membership Databases (plus all European groups coming soon)
- Subscription to PLG Business Development & Licensing Journal, a peer-reviewed journal issued twice yearly that focuses on current key issues impacting the pharmaceutical and biotechnology industries
- Discounted rates to attend PLG networking meetings, including the Annual Awards Dinner and 2-day Spring and Autumn meetings
- Complimentary attendance at Christmas workshops and drinks reception
- Discounted rates to attend tailored PLG run training courses

There are 3 membership options:

Individual Membership

Individuals based in the UK who are actively engaged in the transfer of intellectual property and technology and who are full time salaried employees of pharmaceutical or biotechnology companies operating in the UK, or

Individuals who are full time salaried employees working in small or medium size enterprises whose business is the discovery or development of molecules or technologies which may ultimately be partnered by pharmaceutical or biotechnology companies. Part of the job description of these individuals should be concerned with licensing, technology transfer or commercial affairs,

or

We also welcome applications from individuals who have been Full Members of PLG and whose status has changed either to consultancy or part time employment.

Fee – £175 per year (membership year runs from 1st July – 30th June)

Academic/Non-for-Profit Membership

This option is open to those employed by academic institutions and not-for-profit organisations that meet the individual membership criteria as above.

Fee – £100 per year

Corporate Membership

Corporate membership allows a company to register an unlimited number of members, although all members must meet the individual membership criteria (as above) and complete an application form.

Fee – £600 per year
