# PLG AGM & 8th Annual Awards Evening

We are pleased to announce the details for our first meeting in 2015, our AGM and Annual Awards Evening. Now in their 8th year, the PLG Business Development awards are a great opportunity to recognise the achievements of colleagues across the industry and we are sure to see some strong nominations for the BD Executive and BD Newcomer of the Year awards.

The two afternoon presentations will both look at the deal market and how the current agreement type and structure are impacting the healthcare industry, the first reviewing those deals completed during 2014 and the second looking at the possibilities and trends for 2015.

In addition to individual registration, discounted company tables (to accommodate 10 guests) are available to ensure your own private table during the dinner and awards presentation.
