

PHARMACEUTICAL LICENSING GROUP LIMITED APPLICATION FOR MEMBERSHIP

Membership of the Pharmaceutical Licensing Group Limited (PLG) is by invitation of its Board. Membership is open to individuals and companies based in the UK who are actively engaged in the transfer of intellectual property and technology in the healthcare industry.

Annual membership is available on an individual basis at £250.00 per member, or a corporate membership of £875.00 that allows the company to register an unlimited number of members, although all members must meet the membership criteria and complete an application form.

There are reduced rates of £125.00 for those employed by academic/not-for-profit organisations, with corporate membership available for these organisations at £450.

There are two types of membership but only full members have voting rights:

- a) Full Membership
Open to individuals based in the UK actively involved in business development, licensing, the transfer of intellectual property or technology, or the wider deal-making process;
and
an employee of a university, non-profit organisation (please see below for reduced membership rate), pharmaceutical or biotechnology company or small or medium size enterprise whose business comprises the discovery, development or commercialisation of molecules or technologies with a pharmaceutical, biotechnology or healthcare application and which may ultimately be partnered
or
a professional services firm whose business comprises the provision of legal or intellectual property advice to organisations within the pharmaceuticals, biotechnology or healthcare industry.
- b) Affiliate Membership
Individuals from other countries who would otherwise fulfil the criteria for Full Membership
